Hello,

My name is Tony Gullo and I own a house on

[REDACTED]

I'm writing to you to express my thoughts on this plan that's being proposed in my subdivision.

I oppose of this plan and will do everything to fight this proposal. This is not right what's being proposed and it will impact my family in the utmost negative way.

I would like to be on the record with my concerns of this most ridiculous proposal, and would like to be included in any discussions or future meetings regarding this proposal.

I know there is a meeting regarding this proposal on September 19/2017 @7:00 pm and I will be there along with my family and all my neighbors in my entire subdivision.

Thank you, Tony Gullo
