---

I write this letter in support of Traci Shatz upcoming appeal at your April 9, 2013 decision to the FCHT Holdings (Ontario) Corporation.

**I am a concerned neighbour living on George Kirby Street.** Unfortunately due to the set time I'm unable to attend the session.

**I urge you to give serious consideration to the appeal being made by Traci Shatz.** This zoning proposal should be rescinded so that more adequate attention may be given to the safety and well being of our residents.

Sincerely yours,

**Dmitri Glaoubakh**
