---

I write this letter in support of Traci Shatz upcoming appeal at your April 9, 2013 decision to the FCHT Holdings (Ontario) Corporation.

I am a concerned citizen/neighbor living on Marc Santi Blvd. Unfortunately due to the set time I'm unable to attend the session.

I urge you to give serious consideration to the appeal being made by Traci Shatz. This zoning proposal should be rescinded so that more adequate attention may be given to the safety and well being of our residents.

Sincerely yours,  
**Catherine Prupes**
