Dear Mary,
Thanks for sending me copy of notice for the meeting of whole council.
I have consulted with the community members, all of them have expressed their disappointment on the recommendations by the planning office. Community members have requested me to register their protest and opposition to the Car Wash and Gas bar facility so close to their residence. Please convey this message to His Worship Mayor city of Vaughan and all councilors as well as other staff members who will be taking part in today's vote. Community fully oppose this proposal and would seek all possible ways to stop this project in the backyards of their houses.
Many thanks,

Sincerely,
Dr. Hameed Mirza
