CITY OF VAUGHAN

EXTRACT FROM COUNCIL MEETING MINUTES OF JUNE 5, 2017

Item 24, CW Report No. 21 – Page 2

Purpose

The purpose of this report is to seek Council's declaration of a vacancy in the office of Local and Regional Councillor, resulting from the recent resignation of Deputy Mayor and Local and Regional Councillor Michael Di Biase. This report also outlines the legislative requirements for filling the vacancy in accordance with the *Municipal Act, 2001*.

Background - Analysis and Options

On May 18th, 2017, the City Clerk received a letter (attachment 1) from Deputy Mayor, Local and Regional Councillor Michael Di Biase, advising that he was resigning his seat on Council effective May 19, 2017. This meets the *Municipal Act* requirement set out in section 260(1).

Declaration of Vacancy

Where there is a vacancy in the office of a member of council, Section 262(1) of the *Municipal Act* requires that the council must declare the vacancy at their next Council meeting. Formal declaration of the vacancy will occur at the June 5, 2017 Council meeting through the adoption of the recommendation set out in this report.

Filling the Vacancy

Section 263(1) of the *Municipal Act* requires that a vacancy on Council must be filled either by appointing a person to fill the vacancy, or conducting a by-election to fill the vacancy. The only instance where the vacancy is not required to be filled is if the vacancy occurs within 90 days before voting day of the next regular election, being October 22, 2018.

Under Section 263(5) of the *Municipal Act*, Council must either appoint a person to fill the vacancy, or pass a by-law requiring a by-election to be held to fill the vacancy, within 60 days after the day a declaration of vacancy is made. Accordingly, once the declaration of the vacancy is made at the June 5, 2017 Council meeting, the last day to appoint a person or pass a by-law requiring a by-election to be held is August 4, 2017.

If Council decides to appoint an individual to fill the vacancy, the individual must be eligible to hold office in the City of Vaughan as confirmed by the City Clerk as of the date of the appointment and must consent to their appointment by Council. The *Municipal Act* does not prescribe a process to be followed in filling a vacancy by appointment. The City Clerk will provide further information on the options and considerations for undertaking an appointment process should Council choose this method of filling the vacancy.

If Council decides that a by-election is to be held, the City Clerk is responsible for setting the date of nomination day which cannot be less than 30 days and not more than 60 days after the passing of the by-law requiring the by-election. Voting day would then occur 45 days after nomination day. The *Municipal Elections Act* requires that by-elections be conducted as far as possible in the same way as regular elections. In this instance, since the vacancy is for the office of Local and Regional Councillor, costs are anticipated to be similar to a regular election as the election would be run city-wide. Other considerations include the timing of the by-election, resourcing and the requirement for Council to decide whether to authorize a contribution rebate program, similar to the provisions passed by Council for the 2014 municipal election.

Next Steps

The City Clerk will report further outlining the options, considerations and costs associated with appointing a person to the vacant office of Local and Regional Councillor, or the holding of a by-election.

Relationship to Term of Council Service Excellence Strategy Map (2014-2018)

The filling of the vacancy of the office of the Local and Regional Councillor addresses the Term of Council Priority being “Continue to advance the culture of excellence in governance.”

Regional Implications

Section 259(3) of the *Municipal Act* requires that If a local municipality declares the office of one of its members who also holds office on the council of the upper-tier municipality to be vacant, the local municipality shall immediately forward a copy of its declaration to the council of the upper-tier municipality. Once Council declares the seat of Local and Regional Councillor vacant at its June 5, 2017 Council meeting, a copy of the declaration will be forwarded to the Region of York.

In addition, Section 267 (2) states that where the vacancy is for a member of council for both a local municipality and its upper tier and the vacancy will not be filled for a period exceeding one month, the local council may appoint one of its members as an alternate member of the upper tier council until the vacancy is filled permanently.

Conclusion

The *Municipal Act, 2001* sets out the legislative requirements for declaring and filling a vacancy resulting from the resignation of a Member of Council. Given the timing of the vacancy resulting from the resignation of Deputy Mayor and Local and Regional Councillor Michael Di Biase, the vacancy must be filled either through appointment or a by-election. Further reporting from the City Clerk will outline the considerations and costs associated with each of these options.

Subject: Regional Councillor Vacancy

The resignation of Regional Councillor DiBiase leaves a vacancy that I propose Council should consider not filling with a replacement councillor.

The next Municipal elections fall in 2018. It would take a minimum of some three months to arrange an election of a replacement councillor or to seek nominations of persons interested in being appointed and selecting an appointee. Meantime the remaining representatives on the Regional Council (The Mayor and two Regional Councillors) will arrange to cover the portfolios previously handled by DiBiase with extra staff support if necessary.

I suggest that those arrangements to cover the "DiBiase" portfolios remain in place for the duration until the 2018 election.

Yours sincerely,

Roger Dickinson

Re: Local and Regional Councillor Vacancy
(Item 24, Report No. 21 of the Committee of the Whole)

Recommendation

The City Clerk, in consultation with the Deputy City Manager, Legal and Human Resources recommends:

1. That the options for filling the Local and Regional Councillor vacancy set out in this communication be brought forward for consideration at the June 20th, 2017 Committee of the Whole meeting;
2. That consideration be given to appointing a Ward Councillor as an alternate member on Regional Council, pursuant to Section 267(2) of the *Municipal Act, 2001* on an interim basis until the Local and Regional Councillor vacancy is permanently filled; and
3. That a copy of this communication be sent to the Clerk of the Regional Municipality of York.

Purpose

The purpose of this communication is to outline options for filling the vacant position of Local and Regional Councillor. This communication also clarifies the provisions of By-law 258-10 respecting the appointment of a Deputy Mayor and outlines an option for Council's consideration regarding the appointment of an alternate member on Regional Council until the vacancy is filled.

Background

Legislative Requirements for Filling a Council Vacancy

The *Municipal Act, 2001* sets out the legislative requirements for declaring and filling a vacancy resulting from the resignation of a Member of Council.

Declaration of Vacancy

Where there is a vacancy in the office of a member of council, Section 262(1) of the *Municipal Act, 2001* requires that the council must declare the vacancy at their next Council meeting. Formal declaration of the vacancy is anticipated at the June 5, 2017 Council meeting through the adoption of the recommendation set out in the Committee of Whole recommendation [Item 24, Report 21 of the Committee of the Whole].

Filling the Vacancy

Given the timing of the current vacancy, Section 263(1) of the *Municipal Act, 2001* requires that a vacancy on Council must be filled either by appointing a person to fill the vacancy, or conducting a by-election to fill the vacancy.

Under Section 263(5) of the *Municipal Act, 2001*, Council must either appoint a person to fill the vacancy, or pass a by-law requiring a by-election to be held to fill the vacancy, within 60 days after the day a declaration of vacancy is made. Accordingly, once the declaration of the vacancy is made at the June 5, 2017 Council meeting, the last day to appoint a person or pass a by-law requiring a by-election to be held is August 4, 2017.

Options for Filling the Vacancy

Option 1: Appointment

Council may choose to appoint an individual to fill the vacancy. The individual must be eligible to hold office in the City of Vaughan as confirmed by the City Clerk as of the date of the appointment and must consent to their appointment by Council. The *Municipal Act, 2001* does not prescribe a process to be followed in filling a vacancy by appointment.

Appointment processes that Council could consider include the following:

- Appointment of a Ward Councillor to the Local and Regional Councillor vacancy (and filling the Ward Councillor vacancy through either appointment or by-election); or
- Open call for individuals for consideration by Council through a public appointment process.

A recommended appointment process, should Council decide to select the appointment option, is set out in Attachment '1'.

The costs of undertaking an appointment process would depend on the process selected but could be up to \$5,000 (to cover advertising).

Option 2 - By-election

The legislative requirements and recommended timeline for conducting a by-election, should Council select this option, are set out in Attachment '2'

By declaring the office vacant on June 5, 2017, the decision to pass a by-law to authorize a by-election must be made no later than August 4, 2017. The City Clerk is responsible for setting the date of nomination day which cannot be less than 30 days and not more than 60 days after the passing of the by-law requiring the by-election. Voting day would then occur 45 days after nomination day. To ensure proper administration and optimal candidate and voter participation, it is recommended that Voting Day be held on October 30, 2017. This would require that the by-law requiring a by-election be passed at a Special Council meeting on July 17, 2017.

The following factors have been considered in setting a by-election date:

- allowing sufficient time to allow eligible persons to consider their candidacy;
- avoiding the summer holidays to maximize voter participation and ensure the availability of election workers;
- avoiding religious holidays for Voting Day and Advance Vote dates;
- ensuring sufficient time for the administration of the election, such as organizing voting locations, securing and testing voting equipment; and hiring and training election workers.

The campaign period would begin as soon as a candidate submits their nomination which can occur the day after the by-law requiring a by-election is passed. Should Council opt to fill the vacancy by way of a by-election, a decision would also be required on whether to authorize a contribution rebate program, similar to the program approved by Council for the 2014 municipal election. Attachment '3' sets out a draft by-law based on the same rebate structure previously approved by Council. Additional costs related to potential compliance audit proceedings are addressed in attachment 4.

The *Municipal Elections Act, 1996* requires that by-elections be conducted as far as possible in the same way as regular elections. The office of Local and Regional Councillor is elected at-large across the entire City, with the same number of eligible electors, voting locations and associated administrative costs as a regular election. The estimated cost of a city-wide by-election is \$1,000,000. A ward by-election is in the range of \$200,000 - \$250,000.

Municipal elections are funded through annual contributions to an election reserve, where funds are set aside to fund the regular municipal elections and any by-elections which may occur in intervening years. If Council chooses to proceed with the city-wide by-election option, this would likely lead to a shortfall in available reserve funding for the 2018 municipal elections, thus requiring an increase in the annual contribution to the election reserve in 2018 and possibly 2019.

Appointment of Deputy Mayor

With declaration of the Local and Regional Councillor vacancy, the office of Deputy Mayor is also vacant. Section 242 of the *Municipal Act, 2001* authorizes the appointment of a member of Council to act in the place of the Head of Council when the Mayor is absent or refuses to act or the office is vacant. City of Vaughan By-law 258-10, being a By-law to Appoint a Deputy Mayor, states that the Local and Regional Councillor who receives the highest number of votes at the last municipal election held in the municipality shall be the Deputy Mayor.

Local and Regional Councillor Mario Ferri is the Local and Regional Councillor who received the highest number of votes in the 2014 municipal election and should therefore assume the Deputy Mayor position in accordance with the By-law upon formal declaration of the vacancy.

Appointment of Alternate Member to Regional Council

Section 267 (2) of the *Municipal Act, 2001* states that where the vacancy is for a member of council for both a local municipality and its upper tier and the vacancy will not be filled for a period exceeding one month, the local council may appoint one of its members as an alternate member of the upper tier council until the vacancy is filled permanently.

Council may wish to consider appointing a ward Councillor as an alternate member of Regional Council until the Local and Regional Councillor vacancy is filled. Regional Council meetings are scheduled for the months of June, September and October 2017.

Conclusion

To better inform the public on the options for filling the Local and Regional Councillor vacancy, it is recommended that the options set out in this communication be brought forward for consideration at the June 20th, 2017 Committee of the Whole meeting. A final decision on the method of filling the vacancy would occur at the June 27, 2017 Council meeting.

By-election Timeline

Various options for Voting Day have been determined, however staff recommend the following timeline to ensure proper administration and optimal candidate and voter participation:

Voting Day Monday, October 30, 2017

Monday, June 5, 2017 - Declaration of Vacancy

Monday, July 17, 2017 - Council to pass a by-law to conduct a by-election

Tuesday, July 18, 2017 - Nomination Period begins

Friday, September 15, 2017 – Nomination Day

Friday, October 20 – Sunday October 22, 2017 – Advance Vote Dates

Monday, October 30, 2017 – Voting Day

Thursday, December 14, 2017 – Candidate's Financial Statements due

Wednesday, March 14, 2018 – Contribution Rebate Applications due

Considerations:

- A Special Meeting of Council would be required on Monday, July 17, 2017 to pass the by-law requiring a by-election.
- The Advance Vote and By-election dates avoid Thanksgiving Monday and religious holidays.

Draft Contribution Rebate By-law

Section 88(1) of the *Municipal Elections Act, 1996* provides that a municipality may, by by-law, authorize a contribution rebate program for the payment of rebates to individuals who make contributions to candidates for office on municipal council.

Should Council decide to implement a contribution rebate program for a by- election, it is recommended that the program parameters be similar to the provisions that Council passed for the 2014 municipal election. A draft by-law is attached.

As a result of recent amendments to the *Municipal Elections Act, 1996*, candidates may no longer accept contributions from corporations and trade unions. These amendments will have no impact on the contribution rebate by-law as Council had previously only authorized rebates for contributions made by individuals (not corporations or trade unions).

Cost of Rebate Program

It is difficult to accurately estimate the cost of this program as it is dependent upon many factors including the number of candidates, the number of contributors and amount of the contributions. In the 2014 Municipal Election, a total of \$48,615 was paid out in contribution rebates.

The rebate is calculated as follows:

- The minimum contribution qualifying for a rebate is \$50.00;
- The rebate is 75 per cent of the contribution; and
- The maximum rebate is \$150.00, regardless of the number of contributions made by any individual eligible contributor.

THE CITY OF VAUGHAN

BY-LAW NUMBER XX-2017

A By-law to authorize the payment of rebates to persons who make contributions to candidates for the 2017 by-election.

 - c) contributions made by corporations, trade unions and non-resident electors
 - d) proceeds of fund raisers; and,
 - e) contributions made by the candidate and candidate's spouse, siblings, grandparents, parents, children, and grandchildren.
3. The application for rebate shall be in the form established for that purpose by the City Clerk, which shall include a receipt in the form provided by the Clerk that is signed by, or on behalf of, the candidate, subject to the following:

- ii. A list of contributors of \$50.00 or more
 - iii. An auditor's statement that the auditor has verified all contributions
- 5. A candidate who is not participating in the rebate program shall notify their contributors and obtain their consent in writing that their contribution will not be eligible for a rebate.
- 6. The City Clerk shall pay the contributor a rebate in accordance with Paragraph 7 of this by-law, if the following conditions are met:
 - a) the application by the contributor complies with the provisions of this by-law;

 - c) the City Clerk shall compare the receipt filed by the applicant and the copy filed by the candidate to ensure consistency, and is satisfied with the receipt filed by the applicant;
 - d) the City Clerk is satisfied that the candidate has filed documents required by Section 88.25 of the Municipal Elections Act, 1996, by the relevant filing date, and that no such document shows on its face that the candidate has incurred expenses exceeding what is permitted under Section 88.20 of the Municipal Elections Act, 1996;
 - e) the City Clerk is satisfied that the candidate has paid any campaign surplus to the Corporation of the City of Vaughan;
 - f) the candidate has agreed to participate in the rebate program established by this By-law; and,
 - g) the contributor is an individual residing in the City of Vaughan who was an eligible elector on the final voters list, as amended.

Enacted by City of Vaughan Council this xxx day of xxx, 2017.

Hon. Maurizio Bevilacqua, Mayor

Barbara A. McEwan, City Clerk

Compliance Audit Proceedings

Following a by-election, an elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of the *Municipal Elections Act, 1996* relating to election campaign finances may apply for a compliance audit of the candidate's election campaign finances.

Cost of Compliance Audit Proceedings

The cost of an audit is dependent on several factors including the size of the campaign and the complexity of the audit.

The *Municipal Elections Act, 1996* requires the City to pay the "auditor's costs of performing the audit" (section 88.33(16)) and "all costs in relation to the committee's operations and activities" (section 88.37(7)). The costs for any compliance audit proceedings will be funded from the Election Reserve.

LOCAL AND REGIONAL COUNCILLOR VACANCY

Recommendation

The City Clerk, in consultation with the Deputy City Manager, Legal and Human Resources recommends:

1. That the office of Local and Regional Councillor, formerly held by Michael Di Biase, be declared vacant in accordance with Section 262(1) of the *Municipal Act, 2001*.

Contribution to Sustainability

The *Municipal Act, 2001*, is part of a legislative framework which supports the administration and government of municipalities of Ontario, which, in turn, contributes to the sustainability of the City and good government.

Economic Impact

There will be economic impacts as a result of decisions to be made by Council in filling the Local and Regional Councillor vacancy. These will be outlined in a subsequent report which will describe the costs and considerations associated with the various options for filling the vacancy.

Communications Plan

This report will be posted on the City's website in accordance with the Procedural By-law.

Purpose

The purpose of this report is to seek Council's declaration of a vacancy in the office of Local and Regional Councillor, resulting from the recent resignation of Deputy Mayor and Local and Regional Councillor Michael Di Biase. This report also outlines the legislative requirements for filling the vacancy in accordance with the *Municipal Act, 2001*.

Background - Analysis and Options

On May 18th, 2017, the City Clerk received a letter (attachment 1) from Deputy Mayor, Local and Regional Councillor Michael Di Biase, advising that he was resigning his seat on Council effective May 19, 2017. This meets the *Municipal Act* requirement set out in section 260(1).

Declaration of Vacancy

Where there is a vacancy in the office of a member of council, Section 262(1) of the *Municipal Act* requires that the council must declare the vacancy at their next Council meeting. Formal declaration of the vacancy will occur at the June 5, 2017 Council meeting through the adoption of the recommendation set out in this report.

Filling the Vacancy

Section 263(1) of the *Municipal Act* requires that a vacancy on Council must be filled either by appointing a person to fill the vacancy, or conducting a by-election to fill the vacancy. The only instance where the vacancy is not required to be filled is if the vacancy occurs within 90 days before voting day of the next regular election, being October 22, 2018.

Under Section 263(5) of the *Municipal Act*, Council must either appoint a person to fill the vacancy, or pass a by-law requiring a by-election to be held to fill the vacancy, within 60 days after the day a declaration of vacancy is made. Accordingly, once the declaration of the vacancy

is made at the June 5, 2017 Council meeting, the last day to appoint a person or pass a by-law requiring a by-election to be held is August 4, 2017.

If Council decides to appoint an individual to fill the vacancy, the individual must be eligible to hold office in the City of Vaughan as confirmed by the City Clerk as of the date of the appointment and must consent to their appointment by Council. The *Municipal Act* does not prescribe a process to be followed in filling a vacancy by appointment. The City Clerk will provide further information on the options and considerations for undertaking an appointment process should Council choose this method of filling the vacancy.

If Council decides that a by-election is to be held, the City Clerk is responsible for setting the date of nomination day which cannot be less than 30 days and not more than 60 days after the passing of the by-law requiring the by-election. Voting day would then occur 45 days after nomination day. The *Municipal Elections Act* requires that by-elections be conducted as far as possible in the same way as regular elections. In this instance, since the vacancy is for the office of Local and Regional Councillor, costs are anticipated to be similar to a regular election as the election would be run city-wide. Other considerations include the timing of the by-election, resourcing and the requirement for Council to decide whether to authorize a contribution rebate program, similar to the provisions passed by Council for the 2014 municipal election.

Next Steps

The City Clerk will report further outlining the options, considerations and costs associated with appointing a person to the vacant office of Local and Regional Councillor, or the holding of a by-election.

Relationship to Term of Council Service Excellence Strategy Map (2014-2018)

The filling of the vacancy of the office of the Local and Regional Councillor addresses the Term of Council Priority being "Continue to advance the culture of excellence in governance."

Regional Implications

Section 259(3) of the *Municipal Act* requires that If a local municipality declares the office of one of its members who also holds office on the council of the upper-tier municipality to be vacant, the local municipality shall immediately forward a copy of its declaration to the council of the upper-tier municipality. Once Council declares the seat of Local and Regional Councillor vacant at its June 5, 2017 Council meeting, a copy of the declaration will be forwarded to the Region of York.

In addition, Section 267 (2) states that where the vacancy is for a member of council for both a local municipality and its upper tier and the vacancy will not be filled for a period exceeding one month, the local council may appoint one of its members as an alternate member of the upper tier council until the vacancy is filled permanently.

Conclusion

The *Municipal Act, 2001* sets out the legislative requirements for declaring and filling a vacancy resulting from the resignation of a Member of Council. Given the timing of the vacancy resulting from the resignation of Deputy Mayor and Local and Regional Councillor Michael Di Biase, the vacancy must be filled either through appointment or a by-election. Further reporting from the City Clerk will outline the considerations and costs associated with each of these options.

Re: Resignation as Deputy Mayor, Regional and Local Councillor

It is with much sadness that I am tendering my resignation as Deputy Mayor, Regional and Local Councillor for the City of Vaughan effective Friday May 19, 2017.

My commitment has always been to the residents of the City of Vaughan who love this City as much as I do. While I have throughout maintained my innocence, I do not wish to be a distraction from the important work that is ahead for our Council. After consulting with my family and friends, I have decided that the course of action which is in the best interests of the City of Vaughan is for me to resign.
