**Subject:** Bell Tower - 100 Sunset Ridge Park (concerns)

Hello my name is Jerry Celenza and I live near St Padre Pio Church and close to the proposed Bell Tower.

Here are some of my concerns which many of my neighbour's share similar concerns:

- Health effect on those who live close and for the children who play at the park.
- Its been proven that the Bell tower along with the rest of the other towers together do cause health issues
- The look of the tower and the negative health effects ... can cause obvious health issues and a drop in local housing value.

We strongly urge you to find a more suitable location for the Bell Tower.

Thanks,  
Jerry Celenza
