To whom it may concern and the Committee:

I am writing to the committee to plead with them to approve the proposed tower.

I am a resident that lives within site of the proposed location of this tower.

I have no vested interest in the tower or the company with whom it operates. I DO have a vested interest in my neighborhood.

This tower is important to all residents of our neighborhood. We need consistent communications and that it NOT possible without these towers.

Many case studies will show that these towers become invisible after a short time. I have not heard any complaints from my neighbors about this tower.

Do the right thing, approve this tower so that we can communicate with our children when we need to.

Do not fall prey to implied pressures that don't exist.

I look forward to your support for my community.

Kindest personal regards,

Richard H. Cooper
