**Your worship and Members of Council:**

**Re: Natural Heritage Study  
Amendments to the Vaughan Official Plan 2010  
June 16, 2015 Committee of the Whole**

We are landowners in Block 27 and object to the adoption of certain policies as currently recommended in the Natural Heritage Study.

The Official Plan Amendment dealing with the Natural Heritage System will be heard by Council in September. We urge Council to direct staff to develop all the necessary policies including compensation protocols and have everything heard at once in a more comprehensive fashion.

Yours truly,

Ferrara Glade Investments Inc.  
Heathfield Construction Ltd.
