**EXTRACT FROM COUNCIL MEETING MINUTES OF JUNE 27, 2017**

Item 22, Report No. 26, of the Committee of the Whole, which was adopted without amendment by the Council of the City of Vaughan on June 27, 2017.

**22**

**ASSUMPTION – DUFFERIN HEIGHTS ESTATES SUBDIVISION  
PLAN OF SUBDIVISION 65M-4173 (19T-06V02)  
WARD 1, VICINITY OF TESTON ROAD AND DUFFERIN STREET**

The Committee of the Whole recommends approval of the recommendation contained in the following report of the Deputy City Manager, Planning and Growth Management and the Director of Development Engineering and Infrastructure Planning, dated June 20, 2017:

**Recommendation**

The Deputy City Manager, Planning and Growth Management and the Director of Development Engineering and Infrastructure Planning, in consultation with the Director of Transportation Services, Parks and Forestry Operations, the Director of Environmental Services, the Director of Financial Planning and Development Finance and Deputy City Treasurer recommend:

1. That Council enact the necessary by-law assuming the municipal services that are set out in the Subdivision Agreement for Plan 65M-4173; and
2. That the Municipal Services Letter of Credit for Plan 65M-4173 be reduced to \$7,500 to guarantee the completion of landscaping items to the satisfaction of the Development Planning department. Upon successful completion of the landscaping items the Municipal Services Letter of Credit will be released.

**Contribution to Sustainability**

The municipal services recommended for assumption in this report have been designed and constructed in accordance with City standards which include consideration for sustainability.

**Economic Impact**

Upon assumption of this subdivision, approximately 0.4 lane kilometers of roadway and associated municipal services including sewers, watermain, street lighting, streetscaping, sidewalk, etc., will be added to the City's network of infrastructure. This additional infrastructure is valued at \$778,690 and will incur the normal expense associated with annual operation and maintenance activities of approximately \$9,950 shown on the following chart:

Item Description	As Constructed Costs	Approximate Annual Operating Costs (*)
Watermain	\$ 77,000	\$1,420
Sanitary sewers	\$ 53,000	\$ 920
Storm sewers	\$273,800	\$ 310
Road	\$167,700	\$3,130
Trees/Streetscaping/Landscaping	\$157,040	\$3,330
Streetlighting	\$ 50,150	\$ 840
Totals	\$778,690	\$9,950

*(\*) Estimated Annual Operating Costs based on information from Environmental Services and the Transportation Services and Parks & Forestry Operations Departments.*

The life cycle costs associated with this additional infrastructure will be accounted for in the City's future multi-year budgets.

### **EXTRACT FROM COUNCIL MEETING MINUTES OF JUNE 27, 2017**

Item 22, CW Report No. 26 – Page 2

#### **Communications Plan**

The pertinent City departments will be notified of the assumption of this subdivision.

#### **Purpose**

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Dufferin Heights Estates Inc. and the City are complete and can be considered for assumption by the City.

#### **Background - Analysis and Options**

The Dufferin Heights Estates Subdivision, Plan of Subdivision 65M-4173 is a residential development comprised of 21 lots located north of Teston Road and west of Dufferin Street in Ward 1 as shown on Attachment No.1.

The Subdivision Agreement with Dufferin Heights Estates Inc. was executed on March 18, 2010 and the Plan of Subdivision was subsequently registered on May 17, 2010. The construction of the roads and municipal services in Plan 65M-4173 was considered substantially complete on November 3, 2016.

The Developer has maintained the municipal services in the subdivision during the required minimum thirteen month maintenance period and has rectified all deficiencies with the exception of certain minor landscaping items. All documents required for assumption have been received and the grading of all lots in the subdivision has been certified by the developer's engineering consultant.

Development inspection staff, in conjunction with the developer's consulting engineer, has conducted all necessary inspections of the municipal services and are now satisfied with the extent of the work. The Development Planning department has advised that there are minor landscaping deficiencies. The Development Planning Department is requesting financial securities in the amount of \$7,500 be retained to ensure these works are satisfactorily completed in the 2017 construction season.

Clearances have been received from all pertinent City Departments including Development Engineering and Infrastructure Planning, Development Planning, Building Standards, Transportation Services and Parks and Forestry Operations, Parks Development, Environmental Services, and Clerks. In addition, the Financial Planning and Development Finance Department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

Accordingly, Dufferin Heights Estates Inc. has requested the municipal services constructed in plan 65M-4173 be assumed by the City.

#### **Relationship To Term of Council Service Excellence Strategy Map (2014-2018)**

The construction of the municipal services in Dufferin Heights Estates Subdivision and its assumption are consistent with the initiatives outlined in the Term of Council Service Excellence Strategy Map. The assumption of these municipal services will:

- Invest, renew and manage infrastructure and assets;
- Attract investment and create jobs
- Continue to ensure the safety and well-being of citizens; and
- Continue to cultivate an environmentally sustainable city.

Item 22, CW Report No. 26 – Page 3

**Regional Implications**

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.

**Conclusion**

The construction of the roads and municipal services associated with the Dufferin Heights Estates Subdivision, Plan of Subdivision 65M-4173, has been completed in accordance with the subdivision agreement with the exception of certain minor landscaping deficiencies. Accordingly, it is recommended that the roads and municipal services in Plan 65M-4173 be assumed and the Municipal Services Letter of Credit be reduced to \$7,500 to guarantee the completion of the minor landscaping deficiencies within the subdivision to the satisfaction of the Development Planning Department. Upon the completion of the deficiencies the Municipal Services Letter of Credit will be released.
