Dear: Mr Abrams,

Re: Committee of the Whole - Street "A" Naming
File Number: 19T-12V007
Vaughan Metropolitan Centre
City of Vaughan

This letter is further to the letter submitted to the City of Vaughan dated April 29, 2014 with respect to Item No. 34 of the April 29, 2014 committee of the whole meeting and subsequent report prepared with respect to the naming of Street "A" as labeled on draft plan of subdivision 19T-12V007.

Following the deferral of the naming of Street "A" the owner has been in consultation with staff at the City of Vaughan and the Region of York with regard to naming Street "A" and proposed the following name;

"New Park Place"

The determination of this name has come following extensive marketing research whereby the owner has considered the future naming of the surrounding precinct of the VMC and potential future development within this precinct.

The City of Vaughan and Region of York staff have no objection to this name and have confirmed it complies with naming policies.

On this basis, we propose that the City of Vaughan move forward with the naming of Street "A" as "New Park Place" and respectfully request that this item be considered at the September 2, 2014 Committee of the Whole meeting.

Sincerely,

Paula Bustard
