Dear Clerks of the City of Vaughan,

I, my wife and my son respectfully request that tomorrow, Sept. 7th, 2016 you and the City Council reject the application of the above project

in its current form.

Also, that the City council endorse, at minimum, the general recommendations as outlined in the Technical Report submitted by MTBA Associates dated May 18, 2016.

Finally, that the City Council direct City Staff to support the recommendations as outlined in the MTBA Technical Report at the OMB.

Regards,

John, Marisa and Franco Mazzella
