Re: Proclaiming November Lung Month.

Dear Mayor Maurizio Bevilacqua:

I am writing to invite you to join the Mayors and Reeves of municipalities and towns throughout Ontario who are supporting lung health in their communities by issuing a proclamation declaring November **Lung Month** in their cities and towns.

Last year we had over 60 proclamations and are hoping this year to double that number. More than 2.4 million people in Ontario – that is one in five people in Township of Dawn-Euphemia – lives with a chronic lung disease such as asthma, chronic obstructive pulmonary disease or lung cancer, and many more are at risk.

In November, the Ontario Lung Association and our partners will engage in a series of information and outreach initiatives designed to inform and educate all Ontarians about how to protect and care for their lungs.

We hope that you will demonstrate your support for the lung health of all your citizens by signing the attached proclamation declaring November as **Lung Month** for entry into the official record. Because when you can't breathe, nothing else matters.™

Sincerely,

George Habib  
President and CEO, [Ontario Lung Association](http://OntarioLungAssociation.ca)
