Good Morning Ms Magnifico

I was advised by the "Complant officer" to complain to the council if I do not like his decision which I intend to do. The By-law under which violation was issued reads contrary to his decision. I have spent time and money (fine) on this issue and I intend to speak to council and have my money reimbursed.

As for the other issue, I have attempted to point out to your traffic department the problem with the new "No Parking" zone in front of our residence. So far it has resulted in one parking violation, issued after 7 Pm. Since my elected official has decided that the issue is not worth his attention I need a council to amend the new Zone.

Other factors in play begin to create the picture of the harassment, for which we may seek other help.

Greetings Mr. Abrams;

I wish to appear on front of the Committee of the Whole in order to make a two fold deputation. To that end, I may require on extended time.

One, as hinted to by a "Dispute Official" in the enforcement department is connected in gross misapplication of the City By-law 1-96 in fact misreading it in order to generate summons revenue.

The second is to dispute and suggest alternative to a No-parking zone instituted in front of my residence. As a result, over-eager meter maids now issue notices

I understand that the next meetings will be in October, please let me know the date.
