Committee of the Whole, November 26, 2013**

Dear Chair and Members,

As the planning consultant retained by the owner of the above noted subject property, we have reviewed the staff report to be considered by the Committee of the Whole on November 26, 2013. As an outcome from discussion with our client, our client's solicitor will be requesting that the Ontario Municipal Board hearing scheduled to begin on January 8th, 2014, be deferred in order to provide an opportunity to resolve the issues identified in this report.

We would therefore request that the Committee of the Whole defer consideration of this staff report pending further discussions.

Thank you for your consideration.

Yours truly,

Alan Young, BES, MSc, MCIP, RPP
