**ASSUMPTION – DUFFERIN CONTWO PHASE 2 SUBDIVISION
PLAN OF SUBDIVISION 65M-3906 (19T-90008)
WARD 4, VICINITY OF RUTHERFORD ROAD AND DUFFERIN STREET**

The Committee of the Whole recommends approval of the recommendation contained in the following report of the Deputy City Manager, Planning & Growth Management and the Director of Development Engineering and Infrastructure Planning, dated December 6, 2016:

Recommendation

The Deputy City Manager, Planning & Growth Management and the Director of Development Engineering and Infrastructure Planning, in consultation with the Director of Transportation Services and Parks & Forestry Operations, the Director of Environmental Services and the Director of Financial Planning and Development Finance, recommend:

1. That Council enact the necessary by-law assuming the municipal services that are set out in the Subdivision Agreement for Plan 65M-3906; and
2. That the Municipal Services Letter of Credit be reduced to \$35,000 to guarantee the completion of streetscaping and landscaping deficiencies to the satisfaction of the Development Planning Department. Upon completion of the deficiencies, the Municipal Services Letter of Credit will be released.

Contribution to Sustainability

The municipal services recommended for assumption in this report have been designed and constructed in accordance with City standards which include consideration for sustainability.

Economic Impact

Upon assumption of this subdivision, approximately 4.7 lane kilometers of roadway and associated municipal services including sewers, watermain, street lighting, streetscaping, sidewalk, etc., will be added to the City's network of infrastructure. This additional infrastructure is valued at \$4,295,490 and will incur the normal expense associated with annual operation and maintenance activities of approximately \$102,310 shown on the following chart:

Item Description	As Constructed Costs	Approximate Annual Operating Costs (*)
Watermain	\$ 510,890	\$16,690
Sanitary sewers	\$ 368,760	\$10,810
Storm sewers	\$1,369,010	\$ 3,670
Road	\$1,612,350	\$36,760
Trees/Streetscaping/Landscaping	\$ 291,520	\$27,180
Streetlighting	\$ 142,960	\$ 7,200
Totals	\$4,295,490	\$102,310

() Estimated Annual Operating Costs based on information from Environmental Services and the Transportation Services and Parks & Forestry Operations Departments.*

The life cycle costs associated with this additional infrastructure will be accounted for in the City's future multi-year budgets.

Item 23, CW Report No. 43 – Page 2

Communications Plan

The pertinent City departments will be notified of the assumption of this subdivision.

Purpose

The purpose of this report is to inform Council that the municipal services constructed pursuant to the Subdivision Agreement between Dufferin Contwo Investments Limited and the City are complete and can be considered for assumption by the City.

Background - Analysis and Options

The Dufferin Contwo Phase 2 Subdivision, Plan of Subdivision 65M-3906 is a residential development comprised of 355 single lots, 1 school block, 1 park block and 1 commercial block located south of Rutherford Road and east of Dufferin Street in Ward 4 as shown on Attachment No.1.

The Subdivision Agreement with Dufferin Contwo Investments Limited was executed on February 14, 2006 and the Plan of Subdivision was subsequently registered on June 5, 2006. The construction of the roads and municipal services in Plan 65M-4046 was considered substantially complete on October 17, 2013.

The Developer has maintained the municipal services in the subdivision during the required minimum thirteen month maintenance period and has rectified all deficiencies with the exception of certain minor deficiencies. All documents required for assumption have been received and the grading of all lots in the subdivision has been certified by the developer's engineering consultant.

Development inspection staff, in conjunction with the developer's consulting engineer, has conducted all necessary inspections of the municipal services and are now satisfied with the extent of the work. Development Planning staff has advised that there are minor outstanding streetscaping and landscaping deficiencies in the subdivision. Development Planning is requesting financial securities in the amount of \$35,000 be retained to ensure that these works are satisfactorily completed.

Clearances have been received from all pertinent City Departments including Development Engineering and Infrastructure Planning Services, Development Planning, Building Standards, Transportation Services and Parks and Forestry Operations, Parks Development, Environmental Services, and Clerks. In addition, the Development Finance & Investments Department has confirmed that all of the City's financial requirements associated with this subdivision have been satisfied.

Accordingly, Dufferin Contwo Investments Limited has requested the municipal services constructed in conjunction with the Dufferin Contwo Phase 2 Subdivision Agreement be assumed by the City.

Relationship To Term of Council Service Excellence Strategy Map (2014-2018)

The construction of the municipal services in the Dufferin Contwo Phase 2 Subdivision and its assumption are consistent with the initiatives outlined in the Term of Council Service Excellence Strategy Map. The assumption of these municipal services will:

- Invest, renew and manage infrastructure and assets;
- Attract investment and create jobs
- Continue to ensure the safety and well-being of citizens; and
- Continue to cultivate an environmentally sustainable city.

Regional Implications

There are no Regional implications with respect to the assumption of the municipal works within this subdivision development.

Conclusion

The construction of the roads and municipal services associated with the Dufferin Contwo Phase 2 Subdivision, Plan of Subdivision 65M-3906, has been completed in accordance with the subdivision agreement. Accordingly, it is recommended that the roads and municipal services in 65M-3906 be assumed and the Municipal Services Letter of Credit be reduced to \$35,000 to guarantee the completion of minor streetscaping and landscaping deficiencies within the subdivision to the satisfaction of the Development Planning Department. Upon the completion of the minor deficiencies the Municipal Services Letter of Credit will be released.
