

**Deputation Request – City of Vaughan
Committee of the Whole – April 4th, 2017 Meeting
Habitat for Humanity Greater Toronto Area**

March 6th, 2017

Attention: Agenda Review Committee,

Habitat for Humanity GTA (“Habitat”) is requesting the opportunity to deliver a deputation at the April 4th, 2017 Committee of the Whole meeting. The purpose of the deputation is:

1. To introduce the members of the Committee to Habitat;
2. Provide a high level overview of our business model;
3. Demonstrate ways feel we can assist in the delivery of new supply of affordable housing to the City;
4. Provide a couple of examples of how other municipalities in the GTA are leveraging municipal assets and policies to help create opportunities for Habitat.

The ideal outcome of the deputation would be to have the committee provide direction to staff to work with Habitat to see if there are tools, and/or municipal assets that can be leveraged to create more affordable housing – developed and delivered by Habitat GTA.

We look forward to hearing back from you, and sincerely appreciate the opportunity to present at the upcoming Committee meeting.

Sincerely,

Daniel Ger
Vice President, Land
Habitat for Humanity Greater Toronto Area
