

## **CITY OF VAUGHAN**

### **EXTRACT FROM COUNCIL MEETING MINUTES OF APRIL 11, 2018**

Item 22, Report No. 14, of the Committee of the Whole, which was adopted without amendment by the Council of the City of Vaughan on April 11, 2018.

## **22      NOISE BY-LAW REVISION TECHNICAL AMENDMENT**

**The Committee of the Whole recommends approval of the recommendation contained in the following report of the Deputy City Manager, Community Services, dated April 4, 2018:**

### **Purpose**

Following the adoption of a new Noise By-law, staff have identified areas that require further clarification in the By-law. This report seeks approval for these changes which shall be brought forward as an amending by-law to the April 11, 2018 meeting of Council.

### **Report Highlights**

- Council approved a new Noise By-law to incorporate recently introduced MOECC Noise Guidelines, specifically NPC-300.
- Staff have since identified areas, as outlined in this report, requiring additional clarification.
- Staff shall bring forward the by-law with additional amendments to the April 11, 2018 meeting of Council.

### **Recommendations**

1. That Council approve the proposed amendments as outlined in this report; and
2. That Council authorize staff to undertake the necessary steps required to implement the recommendations of this report, to the satisfaction of the City Solicitor.

### **Background**

On January 30, 2018, Council approved staff's recommendation to amend the City of Vaughan's noise regulations to:

- reflect the Ministry of the Environment and Climate Change's (MOECC) revised Environmental Noise Guideline - Stationary and Transportation Sources - Approval and Planning (NPC-300) and recognize "Class 4 areas", in which higher noise levels are permitted than other areas;

Item 22, CW Report No. 14 – Page 2

- to create “Exempted Employment Areas”, areas that are adjacent to a City-approved Class 4 area and that have valid MOECC-issued Environmental Compliance Approvals (ECAs) permitting their activities according to various conditions; and
- to update City department names, titles and definitions, and to improve definitions and provisions to provide more consistent and efficient service.

Upon further review of the updated by-law, staff have identified additional areas that require greater clarity.

Staff will bring forward additional amendments in the form of an amending by-law to the April 11, 2018 meeting of Council.

#### **Previous Reports/Authority**

Item 8, Report No. 2, of the Committee of the Whole, [AMENDMENTS TO THE NOISE CONTROL BY-LAW 96-2006](#), which was adopted without amendment by the Council of the City of Vaughan on January 30, 2018.

[NOISE CONTROL BY-LAW NO. 015-2018](#), as approved by the Council of the City of Vaughan on January 30, 2018.

#### **Analysis and Options**

The proposed amendments shall strengthen the clarity of the By-law by:

1. providing additional definitions; and
2. clarifying the applicability of competing provisions within the by-law.

In addition, the amendments will address the eligibility and process for approving and/or removing the Exempted Employment Area status.

#### **Financial Impact**

There are no anticipated financial impacts.

#### **Broader Regional Impacts/Considerations**

These recommendations will help to ensure the City’s regulations are in line with MOECC guidelines.

#### **Conclusion**

The amendments to be brought forward shall provide greater clarity for Vaughan

## Committee of the Whole Report

---

**DATE:** Wednesday, April 04, 2018

**WARD(S):** ALL

### **TITLE: NOISE BY-LAW REVISION TECHNICAL AMENDMENTS**

**FROM:**

Mary Reali, Deputy City Manager, Community Services

**ACTION:** DECISION

---

### **Purpose**

Following the adoption of a new Noise By-law, staff have identified areas that require further clarification in the By-law. This report seeks approval for these changes which shall be brought forward as an amending by-law to the April 11, 2018 meeting of Council.

### **Report Highlights**

- Council approved a new Noise By-law to incorporate recently introduced MOECC Noise Guidelines, specifically NPC-300.
- Staff have since identified areas, as outlined in this report, requiring additional clarification.
- Staff shall bring forward the by-law with additional amendments to the April 11, 2018 meeting of Council.

### **Recommendations**

1. That Council approve the proposed amendments as outlined in this report; and
2. That Council authorize staff to undertake the necessary steps required to implement the recommendations of this report, to the satisfaction of the City Solicitor.

## **Background**

On January 30, 2018, Council approved staff's recommendation to amend the City of Vaughan's noise regulations to:

- reflect the Ministry of the Environment and Climate Change's (MOECC) revised Environmental Noise Guideline - Stationary and Transportation Sources - Approval and Planning (NPC-300) and recognize "Class 4 areas", in which higher noise levels are permitted than other areas;
- to create "Exempted Employment Areas", areas that are adjacent to a City-approved Class 4 area and that have valid MOECC-issued Environmental Compliance Approvals (ECAs) permitting their activities according to various conditions; and
- to update City department names, titles and definitions, and to improve definitions and provisions to provide more consistent and efficient service.

Upon further review of the updated by-law, staff have identified additional areas that require greater clarity.

Staff will bring forward additional amendments in the form of an amending by-law to the April 11, 2018 meeting of Council.
