To whom it may concern,

It is an honour to offer this endorsement letter in support of Mr. Peter Cipriano and in naming a future city park, **Cipriano Park**, commemorating Mr. Cipriano's continuous support and generosity within the communities of City of Vaughan.

Mr. Cipriano's continued support and generosity towards the Vaughan Food Bank has been most helpful. Without this support, the Vaughan Food Bank would not be able to assist those in our community who through no fault of their own are not able to do so.

I have been involved in past fund raising events hosted by Mr. Peter Cipriano. Through his support and generosity, many other nonprofit organizations, hospitals and churches in our community have been the recipients of his tireless efforts.

Quite recently, through his continuous generosity, the Vaughan Food Bank was able to furnish the new relocated facility in Woodbridge, with much needed lighting, kitchen, storage cabinetry and office furniture.

Mr. Cipriano has proven his love for this community by becoming a role model and expressing his ideas and concerns for the City of Vaughan. I believe it's only fitting that the city considers recognizing Mr. Cipriano, an integral part of the Vaughan Community, by Naming a city park in his honour.

Thank You,

To Whom It May Concern:

**Re: Mr. Peter Cipriano**

The Vitanova Foundation is a not-for-profit corporation chartered by the Province of Ontario and a registered Canadian charity which has, since 1987, provided a range of addiction-related services to individuals, families, and the community at large—all at no charge. It is accredited by the Canadian Centre for Accreditation and been the focus of two independent, academic reviews that confirm the soundness of our treatment approach and its positive client outcomes.

The subject of this letter, Mr. Peter Cipriano, is a long-standing benefactor of The Vitanova Foundation, and, more importantly, of the thousands of clients it has served since its founding thirty years ago. Indeed, Mr. Cipriano is an exemplary humanitarian and philanthropist—one who has for many years supported a host of community-based agencies and public institutions in Vaughan and beyond, most notably the former York Finch Hospital.

The example set by Mr. Cipriano over the years has played a significant part in the development of a “culture of giving” within the local business community, a culture reflected in outstanding support for important capital projects such as the Mackenzie Vaughan Hospital and Hospice Vaughan, both of which promise to bring immeasurable benefits to our community.

I deeply appreciate and thank Mr. Cipriano for his personal generosity, as well as his commitment to promoting support for community-based organizations within the local business community.

Yours truly,

Franca Damiani Carella, DSL, OV  
Founder and Executive Director

Proposed City Park Location: Block 468 on Draft Plan 19T-03V05  
Proposed Name: Cipriano Park

Dear City Clerk,

On behalf of Sunnybrook Foundation, I am delighted to endorse the naming of a City of Vaughan park after Mr. Peter Cipriano. He has shown he is a community builder of the first order.

Peter was introduced to Sunnybrook through the health-care needs of his elderly parents. He was most impressed with care they received, which looked after the sum of their needs rather than as a series of isolated health issues.

That experience converted Peter into a passionate supporter of Sunnybrook's Division of Geriatric Medicine. Not only has Peter most generously supported the cause of the hospital, but he has encouraged his community and business colleagues to lend their support as well. As president of the Irpinia Club of Toronto, he has directed the proceeds for a number of years from the club's annual Summer Picnic and Ballo Autunnale to Sunnybrook.

Peter knows first-hand the challenges of looking after frail seniors with complex health problems. By investing in Sunnybrook, and encouraging other to invest as well, he has ensured our elderly patients have better physical spaces for care. He has also supported education and research initiatives that will benefit not just Sunnybrook patients, but many others in our extended community.

As a very successful homebuilder, Peter understands that a good home anchors a happy family, and that happy families coalesce to become healthy communities. Peter's investment in Sunnybrook reflects his commitment to community building in and around the GTA, for the benefit of those who live and work here every day.

A park in his name would be a small but important recognition of his many contributions to our civic wellbeing.

Sincerely,

Dr. Jon Dellandrea, CM  
President & CEO  
Sunnybrook Foundation

Dear Manager Municipal Partnerships,

I am writing to convey support for Mr. Peter Cipriano in his pursuit of naming a future city park "Cipriano Park". From my understanding the parks' naming will recognize the past and ongoing contributions of Mr. Cipriano's involvement within the City of Vaughan.

I have known Mr. Cipriano, personally for five years and I have seen firsthand his extensive involvement and support for a number of causes in the Vaughan community as well as support for causes in the broader community.

Mr. Cipriano's major donations just since 2012 are nearly \$1 million, and his fundraising achievements for Sunnybrook in the same period total \$1.6 million. Mr. Cipriano has served also as the chair and organizer of the Gala Evening for Parkinson's in support of Parkinson Canada. In 2017, Mr. Cipriano was awarded the Spirit of Ontario Awards, which is presented to Canadians of Italian descent who have made contributions of excellence to the province by the National Congress of Italian Canadians. In addition, Mr. Cipriano, also organized a fundraiser in 2016 in support of young child Luca Gennuso, to assist with the costs related to his therapies and treatments after experiencing a near-drowning accident in 2014. Locally, Mr. Cipriano is ongoing supporter of the Vaughan Soccer Club, Kleinburg Nobleton Soccer Club, the Ansley Groove Bocce Club and a number of other local organizations.

Mr. Cipriano's contributions, ongoing support and benevolence continue to be recognized within the City of Vaughan and beyond. Mr. Cipriano's professional success as an entrepreneur spans over forty years and his commitment to a number of organizations and causes is well documented. Personally, I applaud Mr. Cipriano's commitment and dedication to the community not only in the City of Vaughan but in the broader community. I believe based on Mr. Cipriano's contributions that it is fitting that the city recognizes Mr. Cipriano, by naming a city park in his honour.

Thank You,

Francesco Sorbara, Member of Parliament Vaughan-Woodbridge

To the City of Vaughan,

I wanted to recognize Peter Cipriano of The Gold Park Group for his selfless gesture to host a fundraiser for my disabled son Luca who was involved in a devastating accident in 2014 that rendered him quadriplegic at the age of 2 years old. Peter in his kind nature reached out to us explaining that he heard about my son through the community and wanted to do anything he could to help our son. With our blessing he rallied the community together and hosted a not for profit fundraiser and gave 100% of the proceeds to my son's recovery. This money has done great things for our Son giving us the option to do therapies that we were not able to afford. Peter has done this in the past for other children and I am sure with kind heart he will continue to help the community.

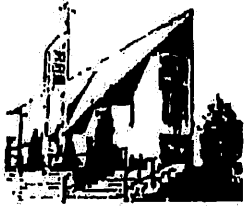

Please feel free to contact us at any time

### To Whom It May Concern

My name is Rev. Rony D. Grayda, Pastor of St. Margaret Mary Catholic Church in Woodbridge, Ontario. I have known Peter Cipriano for many years and writing this letter of recommendation in his support.

In my 11 years of experience in the Parish and community, some individuals stand out for their great qualities and commitment to community. Indeed, Peter Cipriano is known for his work ethic, leadership, intelligence, diligence and commitment to Church and community.

He is greatly respected throughout the community and by his fellow parishioners; being the "go-to" person for a certain fundraising event; for getting things done; and coming to assist the needs of the Parish and many charitable organizations.

Peter Cipriano has shown that time and time again, he is a positive motivated leader with a "giving heart" for those in needs.

Peter has played a very important role in our Parish, by coming to help us with many improvement projects such as roofing for the main church structure; roofing for our rectory office; donating the church organ, and much more.

He is a humble and approachable person, and a highly dedicated professional, who loves to share his kindness and generosity with those in need. He is a great asset to any team or organization, as he has demonstrated in our Parish community, time and time again.

Thus, due to his great attitude and exceptional dedication and commitment, I write this letter of recommendation with sincere conviction and enthusiasm. Thank you and May God Bless you.

Please do not hesitate to contact me if I can be of further assistance.

Sincerely Yours in Christ,

*Rev. R. Grayda*

To whom it may concern,

I am proud to acknowledge the contributions to Humber River Hospital that Peter Cipriano and GoldPark Group have made over the history of our relationship which dates back to 1992.

Peter became engaged with our York-Finch Hospital, by accident - literally. He arrived for emergency treatment and care for an injury sustained on a job site. His initial reaction was that the outdated and overcrowded Emergency Department needed help! Following his treatment he asked the Doctor for the phone number of the Hospital CEO and expressed his desire to make a donation to help with renovations to expand York-Finch Emergency Department services for the benefit of the greater community.

From there, Peter joined the Foundation Board and became a Director in the 1990's. He initiated community fundraising activities, supported our special events and contributed his own personal funds to the Rising to the Challenge capital campaign, concluding in 2000. Peter's volunteer support and personal financial commitments enabled Humber River Hospital (York Finch Site) to fulfil its promise of delivering patient-centred care in newly renovated and expanded facilities to the community in North-West Toronto. We were proud and pleased to erect signage within the York Finch Emergency Department that recognized Peter's and GoldPark's substantial contributions and positive impact to the community over the years.

We celebrate Peter Cipriano's past generosity and commitment towards a healthier future for our loved ones, our community.

Sincerely,

Colleen Albiston

To Whom It May Concern:

I am proud to offer this endorsement letter as a testament to the support of Mr. Peter Cipriano.

Parkinson Canada was introduced to Mr. Cipriano through his lifelong friend, Pietro Montemarano who is well connected to our organization and is living with Parkinson's disease. Mr. Montemarano emphatically informed Mr. Cipriano of the value of our services, and the decision to support the organization was made.

Peter Cipriano fit a gala evening in support of Parkinson Canada into a busy schedule on a short timeline. We work with many community fundraising event organizers throughout the year, and their impact on our mission in terms of dollars contributed to the organization vary greatly. Given the timeframe in which the event was organized, our expectations were not particularly high.

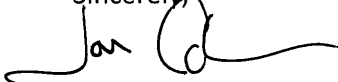

Very quickly, Mr. Cipriano went from a person with a limited connection to our organization to one of our biggest advocates. Within the span of two months, he leveraged his network to produce an event with 500 attendees and more than \$60,000 in net revenue contributed to our organization. As a demonstration of her personal commitment, Mr. Cipriano made a significant individual contribution as well.

Beyond the funds raised – which are sufficient to fund a to-be-named research grant as part of our Parkinson Canada Research Program – the opportunity to connect with delegates in the Vaughan and Woodbridge communities and speak to the value of our mission is of great value to Parkinson Canada.

More than 100,000 Canadians have Parkinson's disease and scientists predict that this number will increase dramatically as the population ages. Your commitment to our mission through this gift means so much as we strive transform the lives of Canadians living with Parkinson's. Parkinson Canada relies almost entirely on the support of private funders like Mr. Cipriano to support our mission. From the moment anyone suspects he or she has Parkinson's disease, to getting the diagnosis, seeking information and support for themselves and families, coping with the sudden reality of living with a progressive neurological disease, and throughout the course of the Parkinson's journey, Parkinson Canada is there.

We are but one of many organizations to benefit from Mr. Cipriano's philanthropic endeavours, and we are grateful to be connected to such a strong ambassador for positive health outcomes in his community. I am happy to discuss the details of this letter at any time. Thank you for your review.

Sincerely,

Jon Collins

To whom it may concern,

It is my great pleasure to offer this endorsement letter in support of Mr. Peter Cipriano and in naming a future city park, **Cipriano Park**, commemorating Mr. Cipriano's continuing involvement within the City of Vaughan community.

Mr. Cipriano's continued support and generosity towards our Community Soccer Club has been extremely helpful. Not only has Mr. Cipriano helped our team grow and be more competitive, his tireless efforts in the Vaughan community have made us a stronger and more respectful Club.

I had the honor of helping with Mr. Cipriano at his annual Sunny Brook Fundraiser for 4 years. During that period, I developed enormous respect for his dedication towards the center's work. I also became acutely aware of his great knowledge, skills and the endless hours he works in a determination to help others in need.
