Subject: RE: Vaughan Council Meeting regarding OFFICIAL PLAN AMENDMENT FILE OP.13.013
ZONING BY-LAW AMENDMENT FILE Z.13.036 ISLAMIC SHIA ITHNA-ASHERI JAMAAT
OF TORONTO

Dear Sir/Madam,

I would like to express **my strong objections** to proposed changes to existing zoning leading to extensive development in Thornhill Woods.

My house is located on Strauss Road in close proximity to Jaffary Village campus and as such we have experiencing absolute discomfort from traffic and parking around Ner Israel Drive, Knightshade Drive and Bathurst Glen Drive.

Strauss Road itself became additional parking regularly which makes the simple navigation through the street unbearable and as such endanger life of the people living here, **especially children playing outside in the spring/summer time.**

The whole project does not fit with the nature how the neighborhood looks. **Turning low-density zoning into high-density is going to have severe impact on environment, increase pollution and destroy quality of the area.**

Wast majority of my neighbors shares my feeling, and I hope that City Council would take in consideration

Regards,
Aron Drescher
