Hi Sandra,

Thanks for the update, my apologies that I cannot join today's meeting.

Though I would like to provide input from my family of 4 individuals along with many residents on my street.

We strongly object to ANY type of access from Petticoat Road. Since the address of the proposed development is 2057 Major Mac Dr, all entrance and exits must be from Major Mac Dr. Our established neighborhood on Petticoat Rd should not be affected due to development of 2057 Major Mac.

Can you please pass on our input in today's meeting for the Committee of the Whole for Council.

Thank you  
Sunil
