Subject: Development Charge Complaint: 6053971 Canada Inc. - 70 Whitmore Road, Vaughan - S. 20 Complaint and S. 257.85 Complaint (FAA Committee September 20, 2017)

We are the solicitors for York Region District School Board and York Catholic District School Board.

This will confirm that both School Boards support the recommendations in the report to Council from the Chief Financial Officer and City Treasurer and Director, Financial Planning & Development Finance and Deputy City Treasurer, in consultation with the Deputy City Manager, Legal and Human Resources, the Deputy City Manager, Planning and Growth Management and the Director, Building Standards.

The School Boards do not intend to appear before Council at the hearing of the complaints tomorrow but do support the position taken by the City in response to the complaints made by the landowner/applicant.
