EXTRACT FROM COUNCIL MEETING MINUTES OF JUNE 7, 2016

Item 13, Report No. 7, of the Finance, Administration and Audit Committee, which was adopted without amendment by the Council of the City of Vaughan on June 7, 2016.

13 2016 ADOPTION OF TAX RATES AND THE ISSUANCE OF PROPERTY TAX NOTICES - ALL WARDS

The Finance, Administration and Audit Committee recommends approval of the recommendation contained in the following report of the Chief Financial Officer & City Treasurer and the Director of Financial Services/Deputy Treasurer, dated May 30, 2016:

Recommendation

The Chief Financial Officer & City Treasurer and the Director of Financial Services/Deputy Treasurer, in consultation with the Manager of Property Tax & Assessment recommend:

1. THAT a by-law be enacted for the adoption of Municipal, Regional and Education property tax rates, as submitted in Attachment 1. This by-law will allow for the levy and collection of the 2016 property tax levies and to provide for the issuance of property tax notices.

Contribution to Sustainability

The issuance of the property tax bill contributes to sustainability by ensuring necessary funds are levied and collected in order to meet the City's obligations in delivering programs and services to the community. It also ensures that the City meets its financial obligations to the Region of York and, for education purposes, the Province of Ontario.

Economic Impact

The efficient and timely issuance of the final property tax levy is essential for the City, as it provides the necessary cash flow to meet the City's own needs and its financial obligations to the Region of York and the Province of Ontario for education purposes. The total 2016 levy requirement for the City, including the portion for the hospital, is approx. \$182 million, net of the portion required by the Region and Province. An interim billing of approx. \$88 million (net of Region and education) was levied in February 2016 and will be shown as a reduction on the final tax bill.

Communications Plan

The final property tax notices for residential, farm, managed forest and pipeline will be mailed in late June and in July for commercial, industrial and multi-residential properties. Advertised notices for the final property tax notices will be posted in all local papers in late June, early July and August as well as on City's website.

Purpose

The purpose of this report is to provide the background to a by-law as required under Section 312 of the *Municipal Act 2001, S.O. 2001*, to levy and collect property taxes for the City of Vaughan, the Regional Municipality of York and the Province of Ontario for education purposes.

Background - Analysis and Options

The City property tax rates, as attached, are based on the levy requirement as per the approved 2016 operating budget and calculated utilizing the 2016 Assessment Roll as provided by the Municipal Property Assessment Corporation (MPAC). An interim tax levy, pursuant to City of

Item 13, Finance Report No. 7 – Page 2

Vaughan By-law 012-2016, was levied in February 2016 and will be shown as a reduction on the final tax bill.

The Region of York has approved By-law No. 2016-16 which confirms the region wide tax ratios and sets the uniform tax rates across all municipalities in the Region. In addition to existing policies for property tax capping options for business properties, the Region approved and adopted the provincial legislation that will allow a property to remain at full Current Value Assessment (CVA) tax once the property achieves full CVA tax. These properties will no longer qualify for the Capping program. These policies remain in effect for the tax year 2016.

The Province of Ontario determines education tax rates and has passed Ontario Regulation 101/16 to prescribe the tax rates for all classes for 2016.

It is expected that residential, farm, managed forest and pipeline (uncapped classes) property tax bills will be mailed in June, due in three monthly instalments or paid through one of the City's pre-authorized payment plans.

Due to the ongoing capping protection for the commercial, industrial and multi-residential property classes, these bills will be produced following the residential bills. Staff expect to be mailing the non-residential bills in July providing three instalment due dates.

The City collects property taxes on behalf of the Region of York and the School Boards, therefore instalment due dates are generally set to accommodate the legislated payment dates to these other levying bodies. However, for the convenience of the ratepayers, approximately one month between each instalment is given. Due dates are generally the same day of each month except where weekends or holidays interfere.

The City's budgetary requirement is \$181,877,594 levied on just over \$76 billion in assessment. The 2016 levy requirements for Municipal, Regional, and Educational purposes are shown below:

	2016	
City of Vaughan	\$181,877,594	23.24%
Region of York	\$313,111,016	40.01%
Education-Province of Ontario	\$287,572,685	36.75%
Total	\$782,561,295	100.00%

Tax Ratios

The Region of York has the authority to change tax ratios to offset re-assessment tax shifts among the property classes according to tax policy requirements within provincial legislation. Changing the tax ratios assists in maintaining the relative tax burden among the classes thereby providing greater taxpayer equity. However, as specified in the Provincial Regulation, the Region can only move the ratios within or closer to the "Range of Fairness". The current ratios sit outside these ranges but do so with the approval of the Ministry of Finance. Area Treasurers were consulted and Regional staff determined that holding the tax ratios constant (status quo) over the 2013-2016 taxation years was the recommended option. Regional Council approved the property tax ratios for the period 2013 to 2016 on April 18th, 2013 and there has been no change.

The 2016 property tax ratios are as follows:

Property Class	2016 Tax Ratio	Ranges of Fairness
Residential	1.0000	1.0000
Multi-Residential	1.0000	1.0 to 1.1
Commercial	1.1172	0.6 to 1.1
Industrial	1.3124	0.6 to 1.1
Pipelines	0.9190	0.6 to 0.7
Farm	0.2500	0.2500
Managed Forest	0.2500	0.2500

The tax rates shown on Attachment 1, have been established using the above noted levies, tax ratios and the final assessment roll as returned for 2016.

Vaughan Healthcare Centre Precinct Development Levy

The Government of Ontario requires local communities to support the development of hospitals in their community. In 2009, Council approved a funding option towards the Vaughan Hospital Precinct Development Plan which is to be raised through a dedicated property tax rate. Approximately \$7,088,883 will be collected on the 2016 final property tax bill excluding payment-in-lieu and supplemental payments. This contribution does not form part of the City's operations and as such will be shown separately on individual property tax bills. This equates to approximately \$60 for the average home in Vaughan.

Relationship to Term of Council Service Excellence Strategy Map (2014-2018)

The issuance of the final property tax levy supports the strategic priorities established by the Service Excellence Strategy Map, in particular to ensure "Financial Sustainability".

Regional Implications

The City of Vaughan will be collecting approx. \$313,111,016 in property taxes on behalf of the Region of York.

Conclusion

A by-law enacted to adopt the Municipal, Regional and Education tax rates and levies for 2016 will permit staff to proceed with the issuance of the final property tax bills.

The amount may be added to the tax roll against the property in respect of which the amount was imposed or against any other property in respect of which the amount is authorized to be added under the *Municipal Act*, or any other act.
16. As provided by the *Municipal Act*, and pursuant to City By-law No 328-2004, in the event that the taxes are not paid by the due date, late payment charges will be imposed, consisting of a percentage charge of one and one-quarter percent (1.25%) on the first day of default and on the first day of each calendar month thereafter in which default continues.
17. Unless otherwise approved by the Treasurer, any payment received on account of taxes shall first be applied against late payment charges, with charges imposed earlier being discharged before charges imposed later, and then against taxes owing, with taxes imposed earlier being discharged before taxes imposed later.
18. In the event of any defect, error or omission in the form or substance of a tax bill, proceedings for the recovery of taxes shall be governed by subsection 343(10) of the *Municipal Act*.
19. All taxes are payable at the Municipal Office for the City, except that, with payment of any applicable fee, taxes may be paid at most financial institutions that accept tax payments. Payments must be received by the City on or before each applicable due date. If received by the City after the applicable due date, late payment charges as provided by the *Municipal Act* and applicable City by-laws shall be applied.

20. Taxes may further be payable through the optional pre-authorized payment plan (the “**PAP**”). Upon application, any taxpayer meeting the requirements of the PAP may be enrolled in the PAP with two choices, the instalment due date payment plan for interim and final billing or the eleven month instalment plan. Thereafter the City shall be authorized to withdraw property taxes from the bank account of the said taxpayer on the instalment due date of each interim and final billing or the City shall be authorized to withdraw property taxes from the bank account of the said taxpayer on the first banking day of each month from January to November inclusive, in the amount set out in the notice forwarded to the taxpayer by the Treasurer. Administrative charges and late payment charges as provided by the *Municipal Act* and applicable City by-laws shall be applied if the taxpayer’s financial institution indicates insufficient funds for any payment.
