In order to reflect economic conditions and based on a review of the Statistics Quarterly Construction Price Statistics (catalogue No. 62-007 Table 327-0043), the City Wide Development Charges and Special Service Area Development Charge Rates should be increased by 1.7% which reflects the six (6) month increase in the Statistics Quarterly Construction Price Statistics Index (catalogue No. 62-007 Table 327-0043) for the period October 1, 2016 to March 31, 2017.
