#### **8                      USER FEE/SERVICE CHARGE REVIEW & BY-LAW UPDATES** **(Referred)**

**The Finance and Administration Committee recommends approval of the recommendation contained in the following report of the Acting Commissioner of Finance and City Treasurer, dated November 25, 2013:**

The Finance and Administration Committee, at its meeting of November 25, 2013 recommended (Item 2, Finance and Administration Committee Report No.16):

- 1) That Communication C9, memorandum from the Acting Commissioner of Finance and City Treasurer, dated November 19, 2013, be received, and that consideration of this matter be deferred to the December 2, 2013, Finance and Administration Committee meeting to provide the public with an additional opportunity for public input.

Report of the Acting Commissioner of Finance/City Treasurer, dated November 25, 2013

#### **Recommendation**

The Acting Commissioner of Finance & City Treasurer, in consultation with City departments, recommend:

As part of the City's Draft 2014 Budget and 2015-2017 Plan, departments were required to review user fees and service charges and make adjustments to sustain or improve revenue/cost relationships.

#### **Economic Adjustment**

The proposed economic adjustments are price related only and have been incorporated in the Draft 2014 Budget and 2015-2017 Operating Plan. The associated total budget adjustments are illustrated below:

### **Regional Implications**

There are no Regional implications associated with this report

### **Conclusion**

In line with the 2014-2017 Operating Budget Guidelines there is a continued emphasis on maximizing the cost recovered on services through user fees. With the approval of four year fee by-laws as part of last year's budget process, there were only minor changes to approved fees for 2014-16 in this year's budget for a total impact of \$52k in 2014. Fees for 2017 were developed with the departments as per 2014-17 Budget Guidelines. Included with the results, are new fees proposed by the City Clerk's Office, Parks and Forestry Operations, and By-Law and Compliance departments. The budget impact of the new fees is \$14k in 2014. Illustrated below is a brief summary of the total budget adjustment resulting from this process. These figures have been incorporated in the Draft 2014 Budget and 2015-2017 Operating Plan.

	2014	2015	2016	2017
Price Adjustments	\$277,791	\$219,700	\$254,946	\$201,681
New Fees	\$ 13,734	\$ 13,860	\$ 13,990	\$ 14,124
<b>Total Fee Adjustment</b>	<b>\$291,525</b>	<b>\$233,560</b>	<b>\$268,936</b>	<b>\$215,805</b>

The community has been notified of an opportunity for public input on user fee/service charge adjustments, consistent with the Budget Communication Strategy. The recommendation of Finance and Administration Committee to adopt the fee changes and change necessary by-laws will forward to a scheduled Council meeting on December 10th, 2013.
