May is Jewish Heritage month in Ontario. Discover the many different ways of "being Jewish" in the province through this exhibit of photographs from the UJA Federation's Ontario Jewish Archives. Each of the five banners on view present a different aspect of Jewish life in the province - Culture and Leisure, Tikkun Olam (Repairing the World), Community Builders, Ritual and Observance, and Education – reflecting the vibrant texture of both the past and the present. From a bar mitzvah in St. Catharines, to the Jewish students' organization at Queen's University, to Nathan Phillips, the first Jewish mayor of Toronto; this exhibit celebrates the multiplicity of Jewish life in Ontario.
