

Sonoma Heights Area Road Rehabilitation

PROJECT UPDATE

In June 2019, Newsletter No. 1 was issued advising affected residents of planned road rehabilitation work in the Sonoma Heights Area. Please be advised that this project has been deferred to the 2021 Capital Works Program with construction expected to begin in Spring of 2021.

The road rehabilitation work will include road resurfacing, curb and sidewalk repairs and drainage improvements.

The City of Vaughan has completed the necessary pre-construction field investigations and contract preparations are underway.

WHAT'S NEXT?

Newsletter No. 3 will be issued prior to construction, which will provide further details and an approximate start and end date for construction.

If you have any questions, please contact the **Project Lead**.
