

Jane-Langstaff Area: Road Rehabilitation

PROJECT UPDATE

In February 2020, Newsletter 2 was issued advising affected residents of planned road rehabilitation work in the Jane/Langstaff Area in 2021 (refer to Location Map above). The City of Vaughan's 2021 Road Resurfacing/Rehabilitation Project is currently out for tender.

It is anticipated that construction will commence in spring 2021. The proposed work includes the removal of the existing asphalt pavement surface layer, placement of new asphalt pavement, removal and replacement of substandard concrete curbs and sidewalks, drainage improvements and restoration.

WHAT'S NEXT?

Newsletter No. 4 will be issued prior to construction, which will provide further details including construction timelines.

If you are planning to repave your driveway in 2021, or if you have any questions, please contact the Project Lead.

To see a short video which answers some common questions about the nature of the planned work, scan the QR code using your smartphone camera.

LOCATIONS:

Applewood Crescent
Cidermill Avenue
Edgeley Boulevard
Millway Boulevard
