### What Does Age-Friendly Look Like?

**Age-Friendly Communities adapt, create and put in place policies, services, settings and structures that support and enable people to age actively by:**

- Recognizing the wide range of capacities and resources among older adults
- Anticipating and responding flexibly to aging-related needs and preferences
- Respecting the decisions and lifestyle choices of older adults
- Protecting those older adults who are more vulnerable
- Promoting the inclusion of older adults in, and valuing their contribution to, all areas of community life
