The lot was cleared a while ago. Clear cut. Not a few trees but all the trees. From a forest to not a twig. This happened after the house was sold and the old owners moved out. Unacceptable

Hi Gus,

Today I began receiving complaints from local residents that a number of mature trees are being cut down at 11, 31 and 51 Woodend Place. The Owner of the subject lands has recently made a Draft Plan of Subdivision, Zoning By-law Amendment and Site Development applications (19T-15V011, Z.15.032 and DA.15.078) to the City; at this time there are no approvals for the proposed development so site alteration and tree removal should not be taking place.

Would it be possible to monitor the situation?

Please advise if you have any questions.

Thanks and best regards,

Diana DiGirolamo
