Hi Daniele,

Thank you for providing this photo. I will pass this along to By-law Enforcement for their records.

Also be advised, that if you wish to put yourself on the notification list as we previously discussed, I need you to send me written confirmation (email is acceptable) from both yourself and your neighbour (23 and 27 Via Borghese).

Thank you and best regards,

Hello Diana.

Please see photo of the lot in question. The trees are so thick you can not see the house. Areal photo from a older Google map.

Hi Gus,

Today I began receiving complaints from local residents that a number of mature trees are being cut down at 11, 31 and 51 Woodend Place. The Owner of the subject lands has recently made a Draft Plan of Subdivision, Zoning By-law Amendment and Site Development applications (19T-15V011, Z.15.032 and DA.15.078) to the City; at this time there are no approvals for the proposed development so site alteration and tree removal should not be taking place.

Would it be possible to monitor the situation?

Please advise if you have any questions.

Thanks and best regards,
