Communication C1
Committee of the Whole (Public Hearing) – January 15, 2013
Item - 1

The City Clerk's Office has received a petition with respect to the summary wording below. The total number of signatures on the petition is: 242

We urge you to seriously consider the implications of the proposed site of development. We strongly recommend that the city relocate the gas station to a suitable site, one that is at a safe distance from a residential area. We are hopeful that such a decision will be in accordance with the City of Vaughan's Vision 2020, in which one of the strategic objectives is to "enhance and ensure community safety, health and wellness". In this regard, we recommend that a park be built on the southwest corner of Jane Street and Teston Road instead of the proposed gas station.

A copy of the entire petition document containing a total of 17 pages is on file in the City Clerk's Office.
