Subject: petition against the plans to build high rise in Thornhill Woods

C 115	
COMMUNICATION	
CW (PH) -	FEB 4/14
ITEM -	2

Hello,

We are the Thornhill woods residents for over ten years would like to demonstrate our unhappiness and disagreement to a proposal to build a High-rise and low income houses in our neighborhood.

1. This is a prestige and high quality, expensive neighborhood. We paid a lot of money for our houses, these subsidized houses will bring our real estate down.
2. The population density will increase dramatically.
3. This area is not built originally for a high rises, it will change the nature outlook. We did not buy our houses to have this dramatic change.
4. the area will have more cars and more pollution.
