Hello John,

Further to our conversation, below is the text used for the online petition, signed by **3,254** people:

Petition to object to the Applications #OP.13.013 and # Z.13.036 submitted to The City of Vaughan Council/Committee for re-zonning and re-development of property at 9000 Bathurst St

We undersigned petition City of Vaughan Planning Committee to refuse the application for the huge re-development of the above lands and development of 2 high rise buildings.

We wholeheartedly support retention of existing zoning or a suitably scaled single family development.

Best Regards,
Irit Koubi.
