ITEM -	2

I strongly object to the Application "File Numbers: OP.13.013 and Z.13.036 File Name: Islamic Shea Ithna-Asheri Jamaat of Toronto" to change zoning for the lots at 9000 Bathurst St. to allow construction of 2 -high-rise buildings. This project will be a disaster for the area, it will create traffic congestion, noise, and most of all the decline in property values. It will also destroy the perception and look of the quiet low -rise Thornhill Woods neighbourhood
