Re: Committee of the Whole (Public Hearing) March 3/2015

Good Afternoon Judy,

I received a call from an employee of Apra Truck Lines Transportation, 6990 Nashville Road requesting the place and time of the Committee Meeting, as a representative of their firm was going to attend the meeting and make a deputation. I was not informed as to the reason for their deputation.

Unfortunately I will not be able to attend this meeting.

Judy, is the Apra Truck Line Transportation use on Nashville Road with truck access directly onto Nashville Road a legal use of these lands?

Does installing a berm at the street line make an illegal use, legal?

If not, our Association would like to go on record as strongly objecting to this use now or in the future.

Please provide our Association with a summary of their deputation and the Committee's response.

Regards,

*Paul Mantella*
