ITEM - 9

I know I am wasting my ink writing to you to direct my concern.

I call what you propose the funeral of the earth. All you are doing is building one more graveyard for this planet called Earth. Congratulations for doing your part to destroy it.

Which road do you expect to use to carry all these vehicles? Have you been on #27 the last 2 - 3 years? Residents cannot get out of the driveway on 27 between 6 a.m. - 10 a.m. without risking their life. I live at 5655 Kirby Rd and I work in Etobicoke. I am inviting you to come with me one day at 7 a.m. to drive with me to Etobicoke. It is horrible so you are going to add more vehicles. It is going to be a nightmare for people like me that go to work to earn taxes for the government.

All you are doing is:

- ⇒ destroying the earth
- ⇒ increasing traffic
- ⇒ increasing noise
- ⇒ destroying so many beautiful trees and the environment
- ⇒ increasing pollution
- ⇒ upsetting people that live around there
- ⇒ destroying our water supplies; we live on a wolf system
- ⇒ not to mention wildlife (you are not interested in that)
- ⇒ cover beautiful farm land forever, as long as this earth turns.

And all this:

- ⇒ just to get more property taxes collected so you can spend them unwisely.

I am sad and angry about this and I regret bitterly moving to Vaughan.

All I can say is IT'S A SHAME!
