

PUBLIC NOTICE

Meeting to Consider PowerStream Merger

On April 16, 2015, the Government of Ontario announced that negotiations were underway with respect to a potential three-way merger of PowerStream Holdings Inc., Enersource Corp. and Horizon Utilities Corp. with an opportunity to acquire Hydro One Brampton Networks Inc. from the Province to create the second largest local distribution company in Ontario.

The three PowerStream shareholders, Vaughan, Markham and Barrie (and their holding companies), have partnered to evaluate the proposed merger transaction. Professional consultants have been retained to provide independent advice and financial and legal due diligence to support a decision on this important transaction.

The City of Vaughan will consider the proposed merger and acquisition at an upcoming meeting:

COMMITTEE OF THE WHOLE (Working Session)

Sept. 22, 2015 — 9:30 a.m.

Vaughan City Hall

Committee Rooms 242/243
2141 Major Mackenzie Dr.

Members of the public are welcome to attend this meeting and make deputations on the proposal.
