CITY OF VAUGHAN

EXTRACT FROM SPECIAL COUNCIL MEETING MINUTES OF JULY 16, 2015

Item 5, SPCW Report No. 29 – Page 2

The Owner has submitted street names for approval for Streets “5” and “6” in approved Plan of Subdivision 19T-05V10 (Lake Rivers Inc./Kleindor Developments Inc.) as shown on Attachment #2.

The street name Vennare Crescent is to honor the life of Ross Vennare who devoted his life to helping those in need in Vaughan. As a hockey coach, instructor, journalist and referee, Ross placed value in helping kids achieve more with their lives through the values and lessons that sport teaches us. Dedicating his time to organizing charitable events and raising funds for Sick Kids and the Special Olympics, Ross always raised community awareness. When Ross suddenly passed away in March 2010 at the age of 27, a void was felt by those who knew him. Annually, the Ross Vennare award is presented to deserving St. Clare Catholic School Students who display exemplary character and commitment to helping those in need. His commitment and dedication to hockey and sports always brought the community together to focus on what really matters.

The Region of York Transportation and Community Planning Department has no objection to the proposed street names. The Vaughan Fire and Rescue Services Department and Vaughan Planning Department have also reviewed the proposed street names, which are considered to be satisfactory.

The proposed street names are consistent with the City’s Street Naming Policy and Procedures that was approved by Vaughan Council on December 10, 2013.

The submitted street names are not the result of a charity fundraising auction/event.

Relationship to Vaughan Vision 2020/Strategic Plan

This staff report is consistent with the strategic goals as set forth in Vaughan Vision 2020/Strategic Plan, particularly ‘Manage Growth and Economic Well-Being’.

Regional Implications

The York Region Transportation and Community Planning Department has no objection to the proposed street names.

Conclusion

The Vaughan Development Planning Department has no objection with the proposed street names for the streets in approved Plan of Subdivision File 19T-05V10. Should the Committee concur, the recommendation in this report can be approved.
