Subject: Ward Boundary Review - Committee of the Whole Item 2

Dear Sir/Madam,

I am writing you today in support of Antony Niro's petition to council to enact a by-law to re-divide the wards and add a new ward 6. Residents and voters require better representation more reflective of their needs & expectations. Further dividing the wards would do a better job of ensuring councilors are incentivized to better represent the expectations of their individual ward residents.

Regards,

Eddy Aceti, BA CGA LPA
