Re: NARA's Comments on Ratepayer Policy Review Taskforce

Dear Mr. Abrams, Mayor and Members of Council,

Good Afternoon,

I have attached two City of Vaughan Maps from my extensive file showing the massive area which K.A.R.A. is registered with the City to represent.

As residential developments are approved by the City, the residents of these communities will want to be registered with the City and have access to the benefits of registration.

Allowing K.A.R.A. to continue to represent this massive 25 sq. mile area outside its geographic boundary is an excellent example of what the Registration Policy of the City should not allow.

I trust that common sense will prevail and the Committee will do the right thing and allow our Association to be registered to represent our Nashville Community.

Regards,

Paul Mantella
