<u>C 13</u> COMMUNICATION CW (WORKING SESSION) <u>June 17/15</u> ITEM - <u>2</u>
--

Dear Mayor & Members of Council,

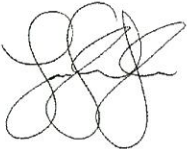

I am writing to offer my warm encouragement to the proposal of establishing a Vaughan International Commercialization Centre (VICC) to become a focal point of economic growth in our region.

Representing a company that thrives on delivering innovation to markets in the GTA, Canada and North America, as well as being both a commercial and residential tax payer to Vaughan, I am excited by the prospect that Vaughan will mold its infrastructure and resources to become a world centre for commerce and trade..

I look forward eagerly to the prospect of increased economic activity cycled through The VICC initiative. I expect this to benefit my own business and the surrounding business community. Given the skills and resources at its disposal I believe Vaughan will emerge as an ideal hub for fast-tracking proven intellectual properties to market throughout N. America and internationally.

I wish The Mayor and Council success in its deliberations concerning this proposal.

Sincerely,

Jon Sherrington,
President
