Program Overview

Public Input & Events

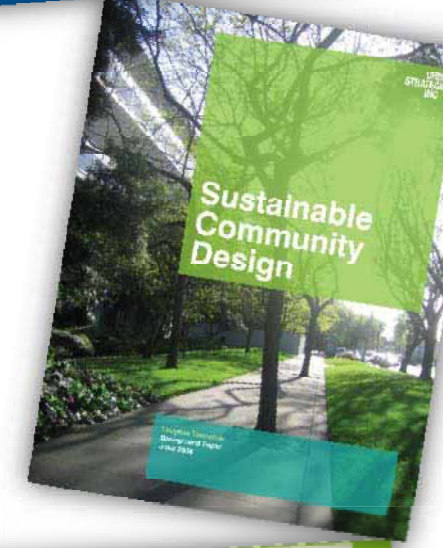

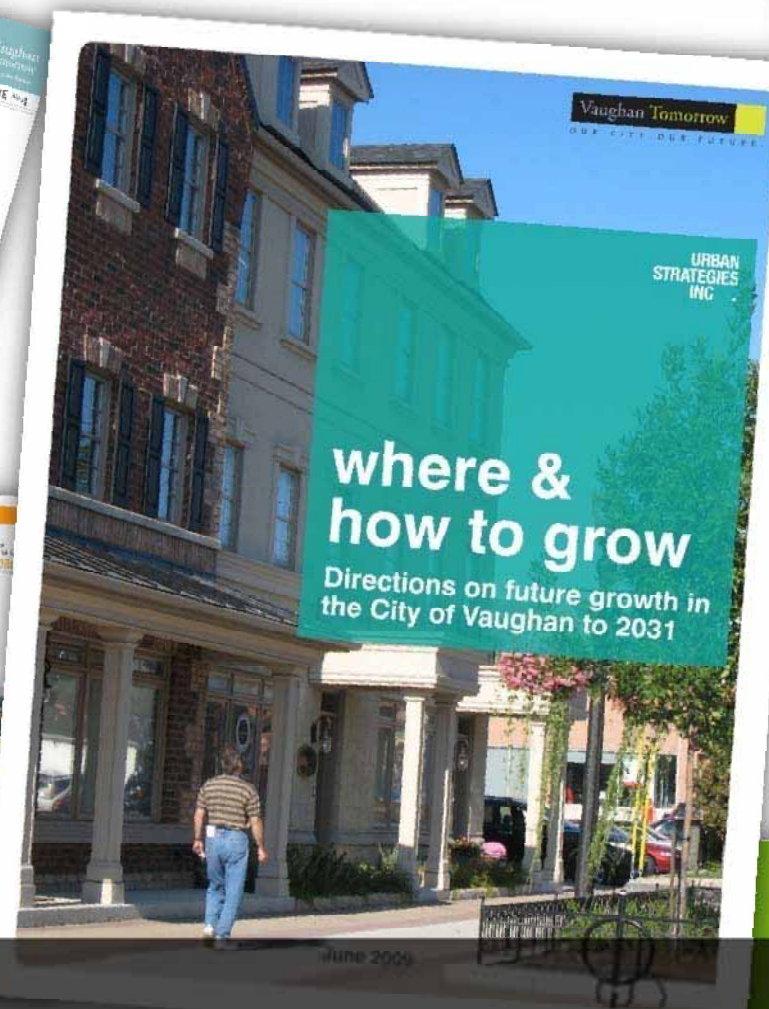

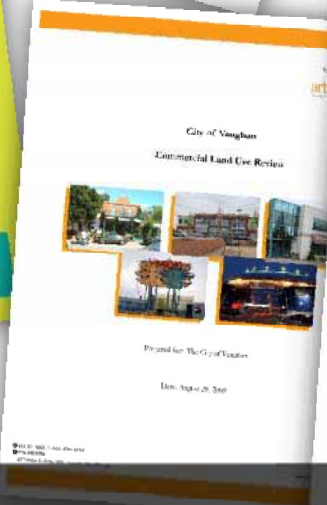

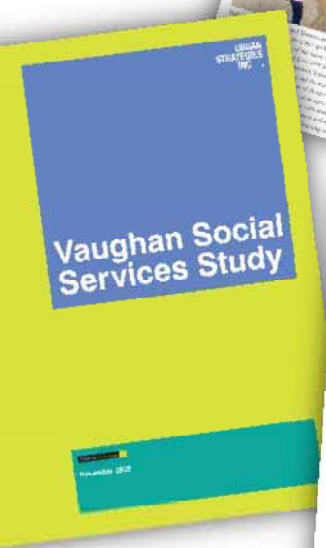

This is Vaughan

Vaughan Tomorrow is the City's growth management program. It will identify and address the ongoing challenges and opportunities that will shape the future of the City of Vaughan.

We developed tools for gathering your input.

ANALYSIS AND
LAND NEEDS

We conducted detailed analyses.

Vision binder

Vision brochure

Workshop comment card

We developed a Vision.

We discussed the Vision and analyses.

Handwritten notes on a whiteboard, including the word "SUSTAINABILITY" and other illegible text.

A woman in a pink top is speaking at a community meeting. She is surrounded by an audience. Several speech bubbles are overlaid on the image, each containing a community concern. The background is dark, with an 'EXIT' sign visible above a doorway.

We want walkable neighbourhoods.

We want rural areas maintained.

We want better transit.

We want to see action on environmental issues.

We want our natural areas protected.

We want our children to be able to live here.

This engagement process highlighted a series of themes.
