

Concord GO Centre Secondary Plan Public Meeting#1, November 7, 2012 Comment Form

Please fill in your responses to the questions below on this form and either return it at the end of the public meeting or following the meeting to Clement Chong of the City of Vaughan Policy Planning Department or in an email response to clement.chong@vaughan.ca

Part 1 – Hopes and Concerns

List your top 10 hopes for the study area.

List your top 10 concerns or things that should be avoided in the study area.

Part 2 – Developing the Secondary Plan + Urban Design Principles

Using the attached list of draft principles and the hopes and concerns that you prepared above, propose changes, additions or deletions to this list. Does the list include all of the things that you think need to be considered in the creation of this Secondary Plan? Is there anything missing?

Part 3 – Building on the Principles

Use the base map below to indicate where things could go in the secondary plan and/or make notes on what things could look like.
