

## File Naming Convention for Online Permitting Portal Building Permit Supporting Documents

In order to submit electronic building permit supporting documents, your file names must be uploaded in the format seen below (i.e. **xxxxxx.pdf**). The Online Permitting Portal is designed to check the file name and any deviation from the file names seen below will result in a denied file upload. If documents, forms or plans and specifications are not listed are required, use "Other Plans" as the PDF name.

### 1. Single Detached Dwelling, Semi-Detached Dwelling, Street Townhouse Standard Forms

-  **Application to Construct or Demolish Form**
